

**BESSETTE CHIROPRACTIC
CELEBRATES
NATIONAL BIKE MONTH
&
GIVES AWAY A NEW TREK BIKE**

The bicycle is the vehicle of the future. It has a competitive edge in urban transit: it's efficient, it's economical, it's healthy, it's ecological, and it's fashionable and fun! Too often overlooked and underrated, the bicycle is the simplest way to get healthier while saving our environment and reconnecting with our community in a positive way!

With all the talk about more fuel efficient cars and working to reduce our carbon footprint it's time to look at the issue differently...it's time to celebrate the bicycle! You probably didn't know that the first paved roadway was actually for bicycle use. It happened years before automobiles were invented! The bike has helped transport goods, people and in major cities, it is used to transport vital medical supplies and organs. It has even been known as a time travel machine, transporting many adults back in time to when they were a child.

It is for all these reasons and the reason that the bike can help reduce many diseases of poor lifestyle that we at Bessette Chiropractic celebrate National Bike Month during the month of June. In honor of this great event we will be giving a brand new Trek bike to the individual who accumulates the most points. See below on how you can accumulate points.

Moreover, all new patient examinations during the month of June will be performed for \$50.00!

This means that the person you refer to the office will receive their personal, in depth consultation with Dr. Tim, a complete spinal examination including computerized scans, and x-rays of one region of the spine (if necessary). This also includes a report of these examination findings and any recommendation to help improve their health. These services are being performed at a reduction of the normal charges. This is a \$325.00 value for only \$50.00

To schedule an appointment call (630)782-6637

2 Easy Ways To Win:

Refer a new patient to the office:

15 points/referral

Ride your bike* to the office for your appointment:

5 points*/visit

Please tell your friends and family about this great opportunity to see if chiropractic care is the missing link to their health care needs. They simply need to call the office at **(630)782-6637** to schedule their appointment.

Remember to tell them to make sure they let us know that you referred them to the office.

When you are in the office for your appointment check out the Trek bike and get a list of the other activities going on in the office to help celebrate National Bike Month.

The Trek Bike was purchased from J&R Cycle&Ski on St. Charles Rd in Villa Park, IL.

***Must wear a helmet or no points will be awarded.**
